

MARTIAL ARTS

AMERICAN PIT FIGHTERS / MIXED MARTIAL ARTS (MMA)

The focus areas under this program are Boxing, Muay Thia Kickboxing, and Wrestling/ Jujitsu. Muay Thia is a combat sport from Thailand using stand-up striking along with carious clinching techniques. Fists, elbows, shins, and feet are associated with good prep. That makes full-contact fighting very efficient. Each focus area has a class session that is focused on that specific practice.
