				*July Updates: Delay the Disease Time Change and All Levels Yoga added back to schedule.		

All Levels Yoga: A great class for those new to yoga and those who have experience. Enjoy learning and practicing the foundations and breathing techniques. Class keeps you grounded in the basics with opportunity to challenge the mind and body. All levels encouraged.

BODY PUMP™: The original barbell class that strengthens your entire body. This workout entails exercises that work a specific muscle group such as squats, chest press, clean and press, bicep curls, and much more! Great music, awesome instructors, and your choice of weight inspire you to achieve the results and goals you came for! Intermediate-Advanced

*Express format is 45 minutes and full Body Pump is 1 hour long

Body Sculpt: A 30 min non-cardio, muscle-toning class that focuses on core strength. Low/no impact exercises that increase strength, muscle endurance, and flexibility. This class includes floor routines, standing ab exercises, light weights, and moves to target your core where you want to see results the most.

Bootcamp/HIIT: This intense class consists of power moves, sprints, jumping jacks, jump rope, lunges, strength training, abs, and more! Intermediate-Advanced

Cardio Barre: Want a total body burn? Look no further! Cardio Barre is a unique, high energy class that combines barre work, cardio intervals, and weights. Beginner-Advanced

Cardio & Strength: Are you ready to build endurance, work on speed training, or take your cardio strength to a new level? This is a perfect class for you! A combo class that starts with focus on walking/running and the remaining portion of class will include a variety of strength building exercises. No class will ever be the same! The class is geared for a variety of fitness levels from power walkers to avid runners.

Cycle & Strength: Combo class that starts with cycling and ends with strengthening exercises that target all major muscle groups. This mixture of cardio and strength is the perfect combination for a great workout!

Cycling: Stationary biking class that combines different elements of speed, strength, and endurance. And great music and rhythm in every class! Bring a water bottle and padded shorts are suggested but not required. All skill levels are welcome!

Delay The Disease: This class is a life-changing fitness and mobility workout designed for people with Parkinson's Disease. Led by certified Ohio Health Delay the Disease instructors, the program improves physical, mental, and emotional realities of PD patients.

Express Workout: Classes range from circuits, tabata, HIIT, and more. You'll have to show up to see what's new! All fitness levels are welcomed.

Full Body Workout: A 30 minute fast paced full body workout class that combines strength and cardio. Perfect combination for a great workout! All skill levels are welcome!

Power 30: Need a quick and effective workout that leaves you stronger, leaner, and more energized? This 30 minute class uses dynamic, compound moves that will strengthen and tone your entire body. Get in, get out, and get strong!

Power Yoga: Add some variety to your yoga class with some power and cardio intervals, Pilates inspired exercises, and light weight training. Improve your core, balance, and strength with this yoga/Pilates fusion class. All levels welcome.

Power Fusion: An awesome workout that mixes yoga, Pilates, core, and Barre- inspired exercises that tone and shape your entire body. This class uses balls, gliding discs, light weights, and resistance bands to challenge the body and get results. Improving your balance, flexibility, and upper and lower body strength while building a stronger core makes this class a LIIT- low intensity interval training. All levels are welcome.

Senior Fitness: Designed for active older adults, this class is a great way to make exercise a part of your life. This workout consists of various exercises to help maintain strength and range of motion.

SHiNE™: is a dance fitness class rooted in traditional dance. Those traditional moves are taken and dance routines are created to be easy enough for beginners yet challenging enough for the more seasoned dancer. Targeted results are to improve muscle endurance, elongate muscles and toning, confidence booster, and increase happy endorphins. The class is for all ages and abilities.

Silver Sneakers: Have fun and move to the music though a variety of exercises designed to increase muscular strength, range of motion, and activity for daily living skills. Handheld weights, elastic tubes, small balls, and a chair are used for seated and/or standing support. This class is designed for seniors and active older adults. All skill levels are welcome!

Tabata Fusion: This high intensity anaerobic workout will help you burn a lot of calories and get your heart rate up! This class is 30 minutes long and will keep you moving the whole time.

Vinyasa Yoga: Focuses on uniting breath with movement. Class incorporates flexibility, balance, and strength to leave you feeling rejuvenated.

Warrior Workout: This high intensity fun filled combination boot camp class pushes you out of your comfort zone. This workout has a lot of variety every week including weights and/or cardio.

WERQ: Join the wildly addictive cardio dance class. WERQ (pronounced "work") is the fiercely fun dance fitness workout based on pop and hip hop music. Wear workout clothes and gym shoes. All dance and fitness abilities welcome.

W.O.W- Women on Weights: New to strength training? Learn proper technique and gain an understanding of basic strength training routine to prepare for independent workout. Class runs for 8 weeks from when you begin.

Zumba™: Try one of the hottest classes in the fitness industry! This workout has been dubbed 'exercise in disguise' because it incorporates dancing to the beats of Latin-inspired music such as Salsa, Merengue, Cumbia, and Reggaeton. Come try it out for fun and effective workout! All skill levels welcome!
